Further information when personal advice is given

This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a Statement of Advice (**SOA**).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (**PDS**), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.</p> <p>If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium. If you pay by credit card, we may charge you a credit card (incl. arrangement & handling) fee, which will be disclosed and shown separately on your invoice, they are non-refundable. This fee covers the cost of bank charges etc. associated with these facilities.</p>
<p>Payment Terms</p>	<p>We will invoice you for the premium, statutory charges (e.g. stamp duty, fire services levy, etc.) and any fees for arranging your insurances. You must pay us within 30 days of the date of the invoice or, as otherwise may be agreed.</p> <p>If you do not pay the premium on time, the insurer may cancel the contract of insurance and you will not be insured. The insurer may also charge a short-term penalty premium for their time on risk.</p> <p>Premium funding products enable you to pay your premiums by instalment. Premium funders do charge interest. We can assist you with arranging premium funding if you require it.</p>

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0% and 27%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be disclosed in our invoice.

- We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 10% of our commission or fees.
- Our employees that will assist you with your insurance needs will be paid a market salary. Our employees are paid monthly a market salary and may receive a bonus based on the overall performance of the business.
- Details of any remuneration, commission and other benefits that you, or other persons, will or reasonably expect to receive in respect of (or that is attributable to) the service to be provided.
- Details of any remuneration, commissions, fees or other benefits that you will reasonably expect to receive (or that are attributable to) services related to life insurance.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

Our commission rates for premium funding are in the range of 0% to 3% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will be set out in the premium funding contract.
